Leaking Tank Enforcement Case LS 2836
UST Removal

Dear David:

Please disregard my previous correspondence dated August 19, 1992 regarding the request for a variance on removing the 15,000 gallon underground storage tank (UST) at the above referenced location. At the owner's request, the 15,000 gallon UST will now be removed. The closure application has been submitted to your Department with a September 28, 1992 removal date scheduled. Your letter dated August 31, 1992 responding to my UST closure variance will be disregarded considering this tank is scheduled to be removed.

If you should have any questions regarding this closure please contact my office at 737-0570.

Sincerely,

Michael A. Del Rossi, P.E.
