RE: Underground Storage Tank Closure
60 Curtis Street, Providence (ST 28246)

Dear Mr. Sepe:

During an underground storage tank (UST) closure at the above referenced site on April 8, 2004 evidence of a petroleum release was discovered and reported to the Office of Waste Management. This information was provided to this Office in the form of an LFR Closure Assessment Report dated May 2004. In accordance with Sections 12.08 and 12.09 of the Rules and Regulations for Underground Storage Facilities used for Petroleum Products and Hazardous Materials (UST Regulations), a site investigation must be conducted and a Site Investigation Report (SIR) must be submitted to the Department on or before August 1, 2004. A qualified environmental consultant shall perform all work.

Please contact Peter Sullivan at (401) 222-2797 ext. 7120, if you have any questions regarding this matter.

Sincerely,

Bruce T. Catterall, P.E.
Supervising Sanitary Engineer
Office of Waste Management
